GAIN NEW PERSPECTIVE.  
SEE WHAT GOD HAS DONE.

“Lift up your eyes! The day is coming when all things will be made new and He will reign over everything in heaven and earth, forever and ever. Heaven rules.”

# 2020

---

In a year of deep uncertainty, God brought certain peace. As routines toppled around us, His plan was not derailed. Through a pandemic, political upheaval, natural disasters, and more we've been reminded that heaven rules.

Rise above the challenges of this year with us and celebrate what God has done through the ministry of *Revive Our Hearts!*

# From Nancy's Heart

Dear Friend,

What words come to mind when you consider 2020? Crisis? Pandemic? Upheaval?

Here at *Revive Our Hearts*, we'd add these words to the list:

Impact.

Opportunity.

Growth.

**We have all been impacted by the crises of this year. But that's just one perspective. We've also had a front row seat to see God at work during these days, reviving hearts around the globe.**

The challenges we've faced have been doorways to new avenues of ministry, allowing us to share the hope of the gospel in fresh ways. Through His faithful provision our various outreaches have continued and grown, allowing us to point even more women to His Word and to help them trust Him more deeply.

In the midst of a year that's been full of ups and downs, cancellations and changes, I'm thankful for the assurance that our heavenly Father has all things under His control. We have no idea what will happen in the coming year—or even what will happen tomorrow. But He knows—and has planned—the beginning and the end and everything in between. **In other words, heaven rules.**

As we prepare to turn the page to 2021, we at *Revive Our Hearts* are eagerly anticipating the new ministry opportunities before us and seeing God at work. **Thank you for the part you play in helping women around the world who need to be assured of God's providence and love.**

Blessings,

Nancy DeMoss Wolgemuth

FOUND HOPE AND PERSPECTIVE

“

Thank you so much for your ministry. I have been a wobbly-kneed Christian for years, tossed to and fro with every wind of doctrine because fear ruled in my heart more than faith. Your ministry is helping me surrender to Christ, trust Him, and enjoy the good news of the gospel! Thank you for your commitment to the permanence of marriage, to biblical womanhood, and to ministering to so many struggling, hurting women. My husband and I are going to try and work out our budget to become ministry partners because I believe in what God is doing in and through *ROH*.”

—AMANDA

“ I first heard *Revive Our Hearts* while going to work one morning in 2008. Those years in my life were tumultuous, to say the least. I was in a bad relationship, and I remember being drawn to the words Nancy spoke. At the time, I was not knowledgeable of God’s Word, but from what I did know about the Bible, something told me this woman knew what she was talking about. Now, in the year 2020, my level of appreciation for Nancy and her teaching is so heartfelt that it cannot be put into words. She models the womanhood the Bible calls for with truth and eloquently does so as a wonderful model for younger generations.”

# REACHING WOMEN THROUGH broadcasting & podcasting

---

In a world overwhelmed with confusing messages, *Revive Our Hearts* provides a daily infusion of Truth from God's Word through audio and video teaching.

It's been a banner year—and we're not done expanding!

## 5,000!

That's the number of radio broadcasts celebrated by *Revive Our Hearts* on October 30, 2020. What a way to begin our twentieth year of ministry!

## 2,013

Times each day our daily programs—*Revive Our Hearts*, *Seeking Him*, and *Aviva Nuestros Corazones*—hit the radio airwaves on 1,100 unique outlets.

Say “yes!” to the weekend—*Revive Our Hearts Weekend, that is*. This weekly broadcast launched in select radio markets on October 3. Dannah Gresh hosts this “best of the best” program, bringing content from each week's *Revive Our Hearts* programs to new listeners around the country.

## CRY OUT!

Thousands of women were encouraged to pray desperate prayers during our October *Cry Out!* In addition to daily *Cry Out!* audio content, more than 50,000 women signed up to receive 31 days of devotions and prayer prompts through the English and Spanish versions of this challenge.

## PSALM 46

The focus of Nancy's teaching in March as our world was in the throes of pandemic upheaval. The theme of this series? “A Mighty Fortress is Our God.” It couldn't have been timed better.

**On March 23, *Grounded* launched.** This new LIVE videocast was developed in response to the uncertainty and isolation caused by the COVID-19 crisis.

# 75

Seventy-five episodes of *Grounded* were welcomed into the homes and workplaces of thousands of women all over the world before the program began a summer hiatus.

**One podcast, four hosts:** *Grounded* returned with a fresh new format including Portia Collins, Erin Davis, Dannah Gresh, and Alejandra Slemin.

# 13

The number of *Revive Our Hearts* episodes we spent celebrating, remembering, and learning from the legacy of Elisabeth Elliot as we prepared to begin our twentieth year of ministry. We continue to learn from her example as we stand on her shoulders.

## PERSPECTIVES SHIFTED

“

My sisters and mom and I listened to your teaching on Psalm 46, then met weekly via Zoom to discuss those verses. Thank you very much for your dedication to studying, organizing, and presenting Truth, and for your humility in sharing your life with so many that you don't know.”

—“SHARON”

## 26,235

Subscribers to our Daily Digest email that highlights daily audio content, blog posts, links to resources, and special promotions.

**The impact of *Grounded*.** Women tuned into this new live videocast on social media. We have seen significant growth of YouTube and Facebook followers as a result of both the English and Spanish (*Arraigadas*) versions of this program. After receiving many testimonies from viewers, *Grounded* relaunched to a weekly program and will become part of the *ROH* Podcast Family.

## 33%

Increase in digital audio listens, from nearly sixty-four million to almost eighty-five million.

### PERSPECTIVES SHIFTED

“This year, I have grown to lean on God more; without listening to the *Revive Our Hearts* podcast, I think my spiritual life would be in chaos. Thank you to all the staff for your hard work to get the daily podcast done and for all the books!”

—“BECCA”

**Exponential international growth.** WhatsApp, an international platform, is being used by many around the globe to share content. Additionally, the *Revive Our Hearts* Languages site launched and expanded in the last year. We currently feature content in ten languages and are adding new resources almost daily.

# REACHING THE NEXT generation

Through our partnership with True Girl, we reach tweens and teens with resources to help them grow closer to their mothers as they grow closer to Christ together. The global pandemic offered an opportunity to increase the effectiveness of online ministry to moms and daughters.

## 40,000

Moms and daughters participated in special online discipleship events and biblical parenting workshops.

## 8,000

Tweens, teens, and their moms or mentors participated in in-depth six-week online Bible studies featuring teachers Dannah Gresh, Erin Davis, Chizzy Anderson, and Staci Rudolph. One of these studies was based on *Lies Young Women Believe* co-authored by Nancy DeMoss Wolgemuth and Dannah Gresh and was attended by 1,786 teens, moms, and youth leaders.

### PERSPECTIVES SHIFTED

“

**I never really had a relationship with God. My relationship with my mom was bad . . .”**

That’s how “Mackenzie” described herself when she first began participating in the online Bible studies offered by True Girl several years ago. But she says the time in prayer and Bible study “molded me into becoming God’s girl!”

“I am now going on fifteen and learning more and more about God’s love, grace, and forgiveness every day. I led a group of tween girls through the *Lies Girls Believe* online study [for tweens] in 2020. I’m so excited to be sharing the joy I found in choosing my mom as my best friend and falling in love with Jesus!”

—“MACKENZIE” AGE 15

## 700+

The number of unsolicited emails we got from moms reporting that their daughters experienced significant spiritual moments, like surrendering their hearts to Christ or deciding to follow the Lord in baptism in connection with True Girl resources including *Lies Girls Believe*.

## PERSPECTIVES SHIFTED

“Today, July 7, 2020, through the Zoom platform and in the midst of the pandemic, Kuna indigenous women in Panama will begin studying *True Woman 101: Divine Design* together. All this began two years ago when I saw a WhatsApp status with a quote from our sister Nancy DeMoss Wolgemuth. From that moment on, the Lord led me out of my feminist thinking, which had crept in even though I was a Christian.” — “ERICA”

## 20,000

Latin American women, along with men, families, and whole churches, committed to reading the Bible from cover to cover using the *Mujer Verdadera (True Woman) Devotional Bible* produced by *Aviva Nuestros Corazones*.

**Belebe unsere Herzen** (*Revive Our Hearts* in German) is led by a group of women who pray together, share resources, and work on translating the daily *Seeking Him* devotionals into German and sharing them via WhatsApp.

## PERSPECTIVES SHIFTED

“The biblical teachings of *ROH* come as a well-spring of life, Truth, and spiritual sustenance. They are counter-cultural and the ground here is very hard indeed. But God! Since I first started listening to the teachings of *ROH* nine years ago, I was so deeply impacted myself. They brought nourishment to my hungry soul and impacted me deeply. I’d never heard such teachings. I’d cry from conviction of sin and marvel at my spiritual blindness. They have helped me become a more intentionally God-honoring woman, helping me to develop my vertical relationship with our Father God and my horizontal relationships with others.”

— MARY ANNE PIAGET, *RÉVEILLE NOS COEURS* (*ROH* IN FRENCH) AREA AMBASSADOR, SWITZERLAND

# Angela Found Hope

## BECAUSE OF YOUR SUPPORT

As the world continued to reel from the effects of a global pandemic, “**Angela**” felt **isolated and alone**.

“You have been such a blessing in my life during this uncertain time we are living in. I have faithfully been listening to *Grounded* every day and listening to the daily *Revive Our Hearts* podcast as I work on school things from home. I am single and a teacher. Your words have made me feel less alone during this time.

Through *Revive Our Hearts*, **Angela found hope and perspective**.

These last few weeks, I have been wrestling with God. While I have been impacted by all of this very minimally, I still feel so afraid and confused. I am struggling with belief in God’s faithfulness. I know there is a good God and I know He has a plan; but sometimes I question His plan. Each day your ministry encourages me to turn to God’s Word and gives me hope.

**When Angela’s stimulus check arrived**, she felt prompted to give back so that other women could find hope.

Recently I saw you still have a great financial need. While I have been praying and donated two smaller amounts, today I felt God was calling me to donate part of my stimulus check. I am blessed to still be getting paid as a teacher, and God has provided in so many ways. As I learn to have faith in Him and believe He will see us through this, I am taking a tiny step today to trust God in this area.

Angela’s story is one of thousands from individuals who have given to *Revive Our Hearts* this year. Every donation represents a heart of someone moved to **partner with us in the mission** of calling women to freedom, fullness, and fruitfulness in Christ.

# Income and Expenses

—“Carolynne,” *Revive Our Hearts* Monthly Partner

## Direct Outreach

“I love this ministry. It speaks truth, love, biblical guidance and teaching on how a true woman of God is to walk her life in Christ.” —“Stacy,” *Revive Our Hearts* listener

The LORD sits enthroned over the flood;

The LORD gives his people strength;  
The LORD blesses his people with peace.

—Psalm 29:10–11 CSB

As we move forward from this landmark year, we celebrate God's work in and through *ROH*, we anticipate even greater fruit in the year ahead, and we pray for His blessing to be on you and on each friend and partner who shares in this ministry with us!
