

Calling Women to
Freedom, Fullness,
& Fruitfulness In Christ

2019
Ministry Report

A photograph of four young women standing outdoors, laughing heartily. They are positioned in a row, slightly overlapping. The woman on the far left has long blonde hair and is wearing a dark floral patterned top. The second woman from the left has long brown hair and is wearing a brown top under a denim jacket. The third woman has long blonde hair and is wearing a white sweater with colorful horizontal stripes over a dark top. The woman on the far right has long dark hair and is wearing a maroon top. The background is a soft-focus view of trees and foliage, with warm, golden light from the setting or rising sun filtering through, creating a bokeh effect. The overall mood is joyful and celebratory.

In life to life ministry, close to home and around the globe, the Lord is at work through *Revive Our Hearts*. We celebrate the many ways He used this ministry in 2019 to impact others.

It hardly seems possible

that *Revive Our Hearts* is eighteen years old. What a sweet journey it has been as we've watched the Lord use this ministry to impact so many women around the world!

Day after day, we are seeing God's provision, His faithfulness, and His kindness, as well as the joy of watching Him transform lives. As women hear the Truth of God's Word, they're finding peace in the darkness, hope in times of desperation, encouragement in their trials, and freedom from sin and shame.

In light of this wonderful news, we at *Revive Our Hearts* want to celebrate! Throughout this ministry report are stories of changed lives, as well as snapshots of how God is working through our various outreaches. As you read the following pages, may you join with us in celebrating all the Lord has done—and continues to do—in the lives of women around the globe.

Thank you for your part in making this possible. Our entire team and I are grateful for your prayers, your encouragement, and your generosity that have made an eternal difference to so many. May the Lord use our combined efforts in the coming year to help countless more women experience freedom, fullness, and fruitfulness in Christ.

Gratefully,

Nancy Demoss Wolgemuth

Even when our lives seem messy . . .

Even when we cannot fully see the hand of God at work . . .

Even if we would have chosen a different script for our lives . . .

God is writing a Story—the story of redemption. It is grander and greater than anything we can imagine.

That's the message of Nancy and Robert's first book together. *You Can Trust God to Write Your Story: Embracing the Mysteries of Providence* released in September, along with an accompanying radio series.

#TrustGodtoWriteYourStory

After sharing her story, Yvonne concludes:

“Through it all God has been right there with me. I’ve learned to trust Him even when I can’t trace Him. He can give you the world and show you His power. Then He can remove it so you’ll see all you really need is Him. I’ve learned to be just as happy in the back of a bus as I am in the front of our Bentley. I’ve learned to hold all blessings with an open palm and not a clinched fist.”

NEW RELEASES

WOMEN OF THE BIBLE

The Women of the Bible series draws women to God's Word, through a series of six-week studies. Three studies have been released in this series to date, including *Abigail*, *Elizabeth*, and *Esther*. Each study has a corresponding season in the *Women of the Bible* podcast. The series surpassed 340,000 downloads in 2019.

CONSIDER JESUS

Consider Jesus released in November as our second 31-day Advent devotional.

REACHING OUR DAUGHTERS AND GRANDDAUGHTERS

“We must do everything we can to plant seeds of Truth in the hearts and minds of young girls so they can be equipped to know and walk with Jesus through the course of their lives.”

—Nancy DeMoss Wolgemuth

Our long-time friend, Dannah Gresh, is passionate about addressing the lies tween girls (ages 8-12) are exposed to day after day. She has written the newest books in the “Lies Books” series: *Lies Girls Believe: And the Truth That Sets Them Free* and *A Mom’s Guide to Lies Girls Believe*.

Revive Our Hearts entered into a strategic partnership with Pure Freedom, a ministry founded by Bob and Dannah Gresh. Pure Freedom rebranded their successful Secret Keeper Girl events this year to True Girl, with a focused goal to reach tween girls and their moms with the True Woman message.

SEEKING HIM

This newly-updated version of the original study leads individuals and small groups into experiencing twelve foundational ingredients of personal revival.

The catalyst God used

“Seeking Him was the catalyst God used to help me begin to discover decades of unfessed sin, hurts I had inflicted on others, and a holier-than-thou attitude and lifestyle.”

—a *Seeking Him* reader

Our team recorded a brand-new, twelve-part video teaching series by Nancy on *Seeking Him* to be released in multiple media formats. A live audience joined us in the studio to capture this companion resource for the refreshed version of the classic study on experiencing the joy of personal revival—released this fall!

Lifeblood

"God convicted me of such a weight of sin and pride. I didn't know this sin was cutting off my lifeblood to God and causing deeper and deeper separation and longing."

—a *Seeking Him* reader

EVENTS

After months of planning, weekly phone calls, and hours of prayer, our United States and South Africa teams were finally together for ten days of ministry partnership in March of 2019. Nancy and members of the Michigan-based team traveled to South Africa in March to partner with *Revive Our Hearts* South Africa for the Come to the Well Conference in Pretoria. The two-day event drew hundreds of women from South Africa as well as countries such as Germany, Mexico, the United Arab Emirates, Switzerland, and Mozambique.

A photograph of a woman with long brown hair, wearing a pink long-sleeved shirt, with her hands raised in a gesture of praise or prayer. She is in a crowd of other people, mostly women, who are also looking in the same direction. The background is slightly blurred, showing more people and what appears to be a stage or presentation area.

In spring of 2019, Nancy and the *Revive Our Hearts* team led back-to-back women's conferences in southern and northern California.

Look Upward

"Thank you for proclaiming God's truth and for radiating His majesty through your teaching. Thank you for praying for and encouraging me! I was motivated to reach out to older women around me and to immerse myself into the sound doctrine of God's Word. Often I realize I am looking down at my circumstances, but you reminded me to look upward—to look to Christ"

Celebrating God's Work in Latin America

This past year we saw significant growth of our Spanish ministry, *Aviva Nuestros Corazones* (ANC). Hundreds of groups all over the Spanish-speaking world are conducting Bible studies with our resources, listening to the programs, and connecting with our social media and digital resources.

- The Spanish version of *Lies Women Believe* was named the 2018 Book of the Year by the Spanish Evangelical Publishers Association.
- The Latin speaker team participated in twenty conferences in five cities, reaching over 6,000 women through these local events.
- *Biblia Mujer Verdadera* (True Woman Devotional Bible) released in August.

Trusted Friends,

Everything we do flows from the core belief that God is our primary Donor. As a ministry, we seek to wisely steward both the opportunities God has provided for ministry growth and the resources He has entrusted to us. We are grateful for this opportunity to showcase God's remarkable provision for the ministry and would appreciate your continued prayer for Him to meet our resource needs in the days ahead.
